access door
(no mudding)

BEST DESIGN
superior in form
and functionality

EXTENSIVE
distribution network

WHITE doors

LEED ready

Odd size doors **faster!**

1 - CTA: Revolutionary, adjustable, general purpose access door

REDUCE installation time by 90% - ADJUSTABLE in size - AESTHETIC APPEARANCE

2 - CTR “Contour” hidden flange door (no mudding)

Aesthetic appearance;

Exclusive product;

Fast and easy installation: no mudding and no taping saves 20 minutes versus door with corner beads.

3 - ODD SIZE DOORS manufactured in 5 business days

CENDREX manufactures Odd Size Doors in 5 business days: industry average 3 - 4 weeks.

4 - CUSTOM DOORS manufactured in 10 business days

CENDREX manufactures Custom Doors in 10 business days: industry average 4 - 6 weeks.

(Some manufacturers even avoid these products!);

Ex: double leaf doors, louvered doors, wire mesh doors, wider flanged doors, choice of sizes and materials (cold roll, aluminum, stainless...).

5 - WHITE DOORS

To provide a more aesthetic finish, CENDREX Access Doors are manufactured in “WHITE POWDER COAT” primer. No need to repaint.

6 - BEST DESIGN

Better structural rigidity;

Will not sag when installed on ceilings (versus flat panels);

Greater aesthetic appearance and long-lasting usability.

7 - EXTENSIVE distribution network

PROXIMITY OF INVENTORY

Quick response time: standard products stocked locally at warehouses strategically located in North America (Montreal, Chicago IL, Melbourne FL, Mesquite TX, Philadelphia PA, Haward CA and Aurora CO).

LOCAL DISTRIBUTION

You need your access doors quickly! CENDREX firmly believes that the most efficient way to get them to you is through local distributors. They will ensure that you get your access doors on time!

8 - LEED ready

CENDREX access products contribute directly to obtaining points for LEED® certification. All LEED® documents are developed in association with the foremost LEED® certification experts, YRG in the U.S.A. and Vertima in Canada, to provide you with the most reliable and up-to-date information.
